

Map to a Great Presentation

What is your academic and/or professional expertise?
What is an impactful practice on your campus?

What is a need in the field?

How was your program or intervention developed?

What does the literature say?

How did you evaluate your success or impact on students?

How does it connect to the NASPA/ACPA competencies?

How would you adapt your practice to another institution?

What do you hope to gain from dialogue at your presentation?
